## **We want you to succeed!**

Being prepared before starting a business is key to success. Our **BFOR - Business Friendly Onsite Review** program is designed to provide you with the information needed to make an informed decision when locating your business in the City of Battle Ground.

## **Pro-active onsite review.**

With one call, we will coordinate a team of City, Fire Department, Department of Health, and Washington State Liquor Control Board staff, if needed, to meet you for a comprehensive review of your potential site.

## **Our team of experts offers:**

- A walk-thru of the potential building/site to assess safety and suitability for you and your customers.
- Review and assistance with zoning requirements, i.e. parking, signage, and business licensing.
- Information on potential fees that may be required so you are fully aware of what to expect; we may also have some cost-saving ideas for you!
- Discussion on any improvement ideas you may have and information on associated permit requirements.
- Coordination among the various departments and agencies involved.
- Updates to keep you informed about next steps.
- Written comments from our onsite review, delivered to you in a timely manner.
- Continued service as you move forward through your grand opening and beyond!
