- All boundaries, easements, utilities and legal encumbrances to be confirmed with owner prior to beginning work.
- The landscape architect assumes no responsibility for the location of boundaries and utilities.
- Plant quantities are for informational purposes only. In case of discrepancy, the plan shall prevail.
- All landscaping shall be installed in a sound workman-like manner, and according to accepted good planting procedures with quality plant materials.
- The owner, or his agent, shall be responsible for the maintenance of all landscaping which shall be maintained in good condition so as to present a healthy, neat, and orderly appearance, and shall be kept free from refuse and debris.
- Contractor shall verify species and quantities of all plant material prior to bid.
- Prune/shape, remove dead wood, dangerous, branches, etc. of existing trees to remain. Remove debris, weeds, undesirable brush, etc.
- 3" of fine bark mulch to be installed after planting.
